

## Valvula de control Tipo bola 3 vias

### DETALLES TECNICOS

Procedencia Dinamarca

Dimension : 1/4" to 3/8" - full bore

1/2" to 2" - reduce bore

Pressure : 69 bar

Material : Stainless steel

Monting flange : ISO 5211

Connection : BSPP

OPCION

Dimension : 1/2" to 2" - full bore

Seat/packing : Several materials

Connection : Several standards

(Pressure depends of packingmate  
rial and temperature).

Material: Acero y Acero inoxidable
